

**Job Role:** Business & Finance Manager

**Location:** Crewe, Cheshire

**Job Type:** Full time

### **Who We Are**

GRG provides infrastructure and services for all forms of solid, hazardous, liquid, and inert waste in large and small economies, be they from public or commercial sources, with the aim of diverting waste from landfill and maximising the sustainability credentials of all waste streams it receives. Today, the GRG group employs over 200 people and operates in Guernsey, Jersey, the Cayman Islands and the UK, and has become a UK market leader for hazardous and specialist waste. All operating companies in the UK are owned by GRG Waste UK, a subsidiary of the parent company GRG, and is made up of 5 companies, including BKP Waste & Recycling, Greenway Environmental, Chloros Environmental, Novum Waste Recycling, and Diverse Waste Solutions that work in unison to offer a wide range of services.

### **What We Are Looking For**

We currently have a vacancy for a Business & Finance Manager at our Head Office in Crewe, Cheshire, to oversee the daily financial operations of Greenway Environmental Limited (Greenway), the review and approval of all Greenway supplier disposal invoices and general GRG Waste UK group procurement activities. This role is suitable for a part-qualified accountant or an experienced finance professional and will report to GRG's Group Financial Controller and the GRG Waste UK leadership team.

### **Main duties and responsibilities**

- Prepare monthly management accounts for Greenway and variance analyses.
- Maintain the accuracy of Greenway's general ledger and oversee reconciliations.
- Support the development of Greenway annual budgets and forecasts.
- Detailed and forensic review and approval of Greenway supplier disposal invoices.
- Ensure strong financial controls are maintained at all times.
- Lead and oversee all group procurement activities.
- Continual monitoring of expenses and overheads for group procurement opportunities.
- Oversee the provision of business information regarding site operations for each of the individual group business units.
- Support operations in gaining the metrics required to formulate reports and business analytics.
- Support sales in gaining the metrics required to understand customer work margins and profitability.
- Promote a culture of learning, performance, measurement and support.
