

Job Role: HGV Class 1 Driver

Location: On the road

Job Type: Full time, permanent

Who We Are

GRG provides infrastructure and services for all forms of solid, hazardous, liquid, and inert waste in large and small economies, be they from public or commercial sources, with the aim of diverting waste from landfill and maximising the sustainability credentials of all waste streams it receives. Today, the GRG group employs over 200 people and operates in Guernsey, Jersey, the Cayman Islands and the UK, and has become a UK market leader for hazardous and specialist waste. All operating companies in the UK are owned by GRG Waste UK, a subsidiary of the parent company GRG, and is made up of 5 companies, including BKP Waste & Recycling, Greenway Environmental, Chloros Environmental, Novum Waste Recycling, and Diverse Waste Solutions, that work in unison to offer a wide range of services.

BKP Waste & Recycling is a regional company with national group capabilities in environmental services since 1964, championing the circular economy and creating a more sustainable environment. We manage all kinds of environmental projects in a sustainable manner by creating new raw materials and energy from waste. We provide an unparalleled safety and quality standard service to companies in all industries, from oil and gas, petrochemicals, aerospace, and local authorities, requiring experienced waste management professionals across the UK.
