

**Job Role:** Site Business Project Support

**Location:** Romsey

**Job Type:** Full time

### **Who We Are**

GRG provides infrastructure and services for all forms of solid, hazardous, liquid, and inert waste in large and small economies, be they from public or commercial sources, with the aim of diverting waste from landfill and maximising the sustainability credentials of all waste streams it receives. Today, the GRG group employs over 200 people and operates in Guernsey, Jersey, the Cayman Islands and the UK, and has become a UK market leader for hazardous and specialist waste. All operating companies in the UK are owned by GRG Waste UK, a subsidiary of the parent company GRG, and is made up of 4 companies, including BKP Waste & Recycling, Greenway Environmental, Chloros Environmental, and Novum Waste Recycling, that work in unison to offer a wide range of services.

BKP Waste & Recycling is a regional company with national group capabilities in environmental services since 1964, championing the circular economy and creating a more sustainable environment. We manage all kinds of environmental projects in a sustainable manner by creating new raw materials and energy from waste. We provide an unparalleled safety and quality standard service to companies in all industries, from oil and gas, petrochemicals, aerospace, and local authorities, requiring experienced waste management professionals across the UK.

### **What We Are Looking For**

BKP are looking for a Site Business Project Support to join the team to provide the GRG Waste UK Group Senior Leadership, BKP Directors and Managers with accurate financial information regarding each individual BKP business unit, BKP customers, its processes and its operations.

### **Main duties and responsibilities**

- To gain, analyse and provide business information regarding BKP site operations for reach of the individual business units.
- Fully understand on-site operations and disposal suppliers in terms of its cost/price base.
- Generate reports providing information and offering guidance regarding profitable, and un-profitable business, customers, processes, site operations and improvement suggestions.
- Ensure that site systems (principally Weighsoft, and purchase ledgers) are kept up to date in terms of any financial parameters and inputs, and are as accurate as possible.
- Support operations in gaining the metrics required to formulate reports and business analytics.

- Support Sales in gaining the metrics required to understand customer work margins, and profitability.
- Promote a culture of learning, performance, measurement and support

### **About you**

#### *ESSENTIAL:*

Degree Level (or similar) in Maths, Economics or Chemistry

#### *DESIRED:*

Experience with 'WeightSoft' and an understanding of Sage or similar financial packages

Hazardous Waste Management Experience (operational or financial) would be preferred

### **About the role**

- Monday to Friday
- 8-hour shift

### **What we can offer you**

- Private dental insurance
- Private medical insurance
- Company pension
- Health & wellbeing programme
