

Job Role: Waste Operative

Location: Romsey

Job Type: Full time

Who We Are

GRG provides infrastructure and services for all forms of solid, hazardous, liquid, and inert waste in large and small economies, be they from public or commercial sources, with the aim of diverting waste from landfill and maximising the sustainability credentials of all waste streams it receives. Today, the GRG group employs over 200 people and operates in Guernsey, Jersey, the Cayman Islands and the UK, and has become a UK market leader for hazardous and specialist waste. All operating companies in the UK are owned by GRG Waste UK, a subsidiary of the parent company GRG, and is made up of 4 companies, including BKP Waste & Recycling, Greenway Environmental, Chloros Environmental, and Novum Waste Recycling, that work in unison to offer a wide range of services.

BKP Waste & Recycling is a regional company with national group capabilities in environmental services since 1964, championing the circular economy and creating a more sustainable environment. We manage all kinds of environmental projects in a sustainable manner by creating new raw materials and energy from waste. We provide an unparalleled safety and quality standard service to companies in all industries, from oil and gas, petrochemicals, aerospace, and local authorities, requiring experienced waste management professionals across the UK.

We are currently recruiting for a Waste Operative. The successful candidate should be an individual with a high regard for health & safety, who is well organised and self-motivated, having good communication skills and is a good team player. A willingness to learn and with a keen attention to detail is key.

Main duties and responsibilities

- To comply with all health & safety policies and procedures, including wearing the correct PPE at all times.
- To work in the Liquid Treatment Plant to assist with operations as required.
- Unload and load vehicles, rollons and skips using site plant and move packaged items around the site.
- Re-packing, segregation, processing and bulking of wastes as required.
- Operate the gulley waste plant and supervise the unloading of road sweepers.
- Operate site plant as and when required.
- Ensure good housekeeping standards are maintained throughout the operational areas
- Work closely with other members of the Liquid Treatment Plant team to ensure site operations are safe and efficient at all times.
- Comply with any other reasonable request from their line manager to assist in the efficient running of the Business.
- To undertake additional tasks or duties from time to time as necessary to meet the needs of the business.

About the role

Monday to Friday 07:00 to 17:00, 21 days holiday per annum (increasing to a maximum of 25 days with service) and UK bank holidays. Starting salary dependent on experience, from £12.00 per hour.

What we can offer you

- Private dental insurance
- Private medical insurance
- Company pension
- Health & wellbeing programme
- Free onsite parking
